## BRITISH LABOR MUST

RALLY IN SEVEN DAYS Munitions Bill Makes Strikes and Lockouts Illegal-Limits the Profits of Employers

London, June 23, 8:46 p. m.-David Lloyd George, the minister of munitions, has given British labor seven rally to the factories in sufficient num pers to produce a maximum supply of unitions of war. This was the most striking state-

trades union leaders," said Mr. Lloyd George in his speech, "and told them if an adequate supply of labor could not be secured compulsion was inevitable. The union representatives answered: 'Give us a chance to supply the men needed in seven days; if we cannot get them we will admit that our case if considerably weakened:

"The seven days will begin tomorrow," continued Mr. Lloyd George, "and advertisements will appear in all the newspapers. The union representatives have engaged 180 town halls as recruiting offices and the excitatives have engaged 180 town halls brief rest in New Hampshire, the

as recruiting offices and the assistance of everyone has been invited." There will be no age limit to the men enrolled; they will not wear unia certificate attesting that they are rorking for king and country.

The munitions bill makes strikes and

tional steps of allowing the trades un-tion leaders seven days in which to supply enough men to furnish the supockouts illegal; provides for com-ulsory arbitration; limits the profits of employers; creates a voluntary army of workmen piedged to go wherever they are wanted, and conains other provisions, which will give the minister full powers to carry out the plans he has decised to develop the production of munitions.
